

Remarks

In the response to an Office Action filed by the Applicants on December 28, 2010; claims 1, 19 and 21 were amended to correct certain inadvertent amendment errors and to more fully claim the subject invention and claim 22 was canceled. However, due to an inadvertent error on the part of the Applicants, claim 21 was identified as "Previously Presented" instead of "Currently Amended," in the Listing of Claims.

By way of this response to the Notice of Non-Compliant Amendment, Applicants have replaced the status identifier for claim 21 from "Previously Presented" to "Currently Amended." *No new matter has been added.*

Conclusion

In view of the foregoing amendments and arguments, allowance of the instant application with all pending claims is respectfully solicited. If a telephonic conversation with Applicants' attorney would help expedite the prosecution of the above-identified application, the Examiner is urged to call the undersigned at the number below. Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account no. 13-3577.

Respectfully submitted
